

# What to Expect

We focus on the part we do best—the food! We do not offer full service catering. It will be up to you to make arrangements to pick-up, deliver, hold, and serve the food.

Customers are encouraged to provide their own reusable containers and serving ware to package the food, otherwise we use conventional disposable catering pans and trays. If necessary, we provide containers or equipment that will need to be returned to the Co-op after your event.

Need table settings? The Co-op Party Kit is available at no cost and can serve up to 75 people (see below).

(serves up to 75 people)

Set a sustainable table at your next event compliments of the Keweenaw Co-op. Are you hosting a party and have concerns about using paper or plastic? The Co-op Party Kit is the solution for you. The kit includes dinner plates, hot beverage mugs, glasses, and silverware. A medley of designs available, mix it up or match them up, either way you will make an important statement by using them.

The only thing asked of you is to return all items in the same condition you borrowed them, and replace an item if it gets broken or lost.

If you would like to borrow the kit **contact the Marketing & Outreach Coordinator to reserve** ([marketing@keweenaw.coop](mailto:marketing@keweenaw.coop)).

# Let us cater your next event...

We specialize in local, organic, ethnic, and original prepared foods. Vegan? Vegetarian? Wheat Free? Other special diet needs? We have something for everyone. You won't find a more diverse or unique menu.

## How much food?

All our items are sold by the pound or by the piece. We will provide you with our current price list on request. For a rough guideline we suggest a 1/3 pound serving per person for our heavier items like lasagna, and a 1/4 pound serving per person for lighter items like salads.

We are happy to help make menu suggestions and determine the quantity of food you will need. **Once you have a menu in mind, give us a call and we will quote you a price.**

Due to limits of our kitchen facility and staff we prefer to cater to **groups of 150 people or less.**

## Placing & Paying for Orders

We are flexible on when you need to place your order. For simple items from our appetizer menu we prefer 3–4 days, for orders requiring multiple sides and entrees we prefer at least two weeks. Orders to be picked up on a weekend day need to be placed by Wednesday morning.

All catering orders are to be paid for at pick-up unless other arrangements are made beforehand. Sorry, Senior/Student/Owner discounts do not apply to catering purchases.
