Gift Box Catalog

A Local & Regional Gift!

A Community Effort...

When it came to choosing a container to hold our gift items we wanted to make sure it was as local or regional as our products. That's why we contacted the Sustainable Keweenaw Resource Center (SKRC) to help us find a supplier. The SKRC suggested a partnership with the Finlandia University (FU)

design program and Vocational Strategies Incorporated (VSI). Employing student designers (pictured left) to design a concept for the box, and VSI clients (pictured middle) to manufacture it. The box is made from locally harvested White Cedar. The Co-op logo is burned on the side. An original Co-op keepsake!
