

**Policy Type:**           **Executive Limitations**

**Policy Title:**         **EL5 – Treatment of Customers**

**Last Revised:**        August 12, 2013

The General Manager shall not be unresponsive to customer needs.

The GM will not:

1. Operate without a system for soliciting and considering customer opinion regarding preferences, product requests, complaints and suggestions.
2. Allow an unsafe shopping experience.
