Title: B-GM2 - Accountability of the GM

Last Revised: October 13, 2021

The General Manager is the Board's only link to operational achievement and conduct.

1. The Board will view GM performance as identical to organizational performance so that KCI's accomplishment of Board-stated ends and staying within the Executive Limitations will be viewed as successful GM performance.
2. The Board will not instruct or evaluate any employee other than the GM.
